NURSING PROGRAMS

Ganga College of Nursing nurtures future nursing professionals with a focus on clinical excellence, leadership, and compassionate care, preparing them to thrive in today's dynamic healthcare environment.

Diploma in General Nursing and Midwifery (DGNM) — 3 Years

Build a strong foundation in patient care, clinical practices, and community health. This program prepares students to become skilled nurses capable of handling real-time healthcare environments with confidence and compassion.

B.Sc Nursing — 4 Years

A comprehensive program designed to develop professional nurses with advanced clinical knowledge and leadership skills. Students gain hands-on hospital exposure, preparing them for diverse roles in modern healthcare systems.

Post Basic B.Sc Nursing — 2 Years

Designed for registered nurses to upgrade their qualifications, this program enhances clinical expertise, critical thinking, and career opportunities in specialized healthcare domains.

M.Sc Nursing — 2 Years

An advanced program focused on specialization, research, and leadership in nursing. It prepares graduates for senior roles in healthcare, education, and clinical administration.
